

NeuroDiverseCity

ANNUAL SPONSORSHIP OPPORTUNITIES

Neuro DiverseCity is an inclusive, public space specifically designed for neurodivergent and developmentally disabled teens and adults. This is a social space where individuals gather for games, “arts-n-crafts” or just shooting the breeze. Isolation, loneliness, and boredom are issues that negatively impact the mental health of many adolescents and adults with disabilities. **NDC is a place where friendships are formed and diversity is celebrated.**

Neuro DiverseCity is the only dedicated public gathering place of its kind in the area, providing a welcoming environment for connection, creativity, and community. Our space is located at Zona Rosa, adjacent to Dillard’s. Activities and interactions are facilitated by degreed, experienced professionals in the field. We are seeking Sponsors to keep these opportunities open to all regardless of the ability to pay.

- Premium placement of sponsor name/logo on signage in the window of Neuro DiverseCity
